The Concho Public Library opened Friday August 18, 1977. It was located at 5051 Evergreen Lane. The hours the library was open were from 2 p.m. until 4 p.m. Tuesdays and Thursdays. Volunteers were needed to help staff the library to provide extended hours.

Thirty two years later, on August 18, 2009, Concho Library's new building was opened. Volunteers from the Concho community collaborated with the Apache County Library District in the project. Our library manager, Carol Roberts, was one of the volunteers on the New Library Building Focus Group.

The library is open, now, Monday through Thursday 12:00 to 6:00, providing books, DVD's, Southwest and Concho area history, computer use, and Wi-Fi access. We have come a long way in 43 years.
